

# Outreach Update

## Love For Children And Youth!

Jesus loves children (Mark 10:14) and we love to serve the children and youth in the city of Saskatoon. **Bibleville (ages 6-10)** has been loving children through a series called "Go" which explores aspects of the Bible and helps them learn how to live it. **Shift (ages 11-13)** has just finished a series on exploring the life of Jesus and how to apply the Bible to their lives. **C23 (ages 14-18)** has been exploring *Emotionally Healthy Spirituality*, a course that provides a biblical foundation for a deep relationship with God and going beneath the surface of lives; learning how to navigate our God given emotions in a healthy way.

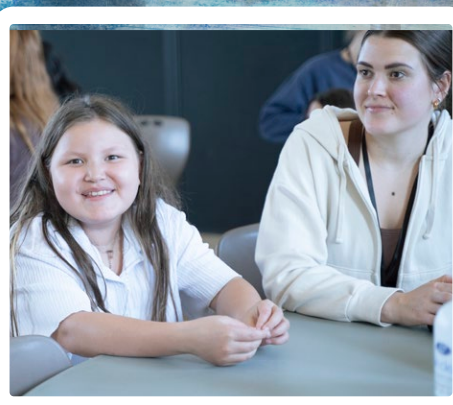

## Love for Families!

Jesus asks us to love one another (Mark 12:31) and we are so thankful to bring families together and love them. **Family Church** continues to love by providing:

- Family meals demonstrating the importance of eating together as a family
- Family church services with teaching that is engaging for the whole family
- Family activities that build relationships amongst families thru playing

We love *Bringing Hope to Life* at every one of our outreach programs. One volunteer had an amazing opportunity to love a child and bring hope. The volunteer explained,

**"A** little girl was feeling troubled by the darkness the enemy brought (Col. 1:13). After a discussion about Jesus, we asked Him what we might do. She bowed her head and earnestly talked to Jesus with no doubt that Jesus would answer her. Jesus provided a solution for this little girl. Jesus loves children and we do too!

Thank you for partnering with us in  
***Bringing Hope to Life!***
